Summary

This is an example abstract for poster submission. The file should be submitted in PDF format. The text should be typeset in 11 point Calibri font, body text justified, with single line spacing. Paper size should be set to letter (i.e. 21.59 cm x 27.94 cm) – please note that this is different from the European A4 paper size. Margins should be 2.54 cm top, bottom, left and right. One small figure can be included, with text wrapped around, figure legend in 10 point Calibri, italic (right click on figure to insert figure caption). References should be cited by number [1]. Maximum length of the abstract is 2 pages, no page numbers.

Introduction

The text should be typeset in 11 point Calibri font, body text justified, with single line spacing. Paper size should be set to letter (i.e. 21.59 cm x 27.94 cm) – please note that this is different from the European A4 paper size. Margins should be 2.54 cm top, bottom, left and right. One small figure can be included, with text wrapped around, figure legend in 10 point Calibri, italic (right click on figure to insert figure caption). References should be cited by number [1].

The maximum length of the abstract is 2 pages – longer abstracts will not be accepted. Please do **not** use page numbering. Make sure that if any special mathematical characters are used in the text, they are embedded in the PDF file. Equations should be numbered sequentially and set centred on the page:

$$PAR = \int_{400\text{ nm}}^{700\text{ nm}} (\lambda/hc)E(\lambda)d\lambda \quad (1)$$

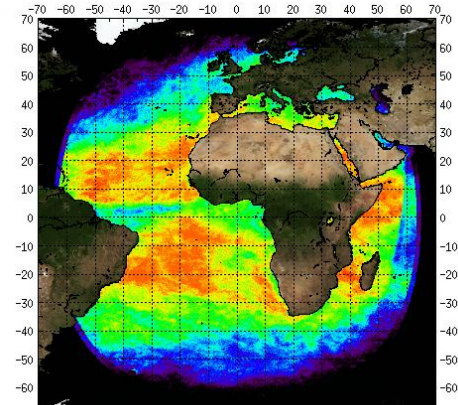

The text should be typeset in 11 point Calibri font, body text justified, with single line spacing. Paper size should be set to letter (i.e. 21.59 cm x 27.94 cm) – please note that this is different from the European A4 paper size. Margins should be 2.54 cm top, bottom, left and right. The text should be typeset in 11 point Calibri font, body text justified, with single line spacing. Paper size should be set to letter (i.e. 21.59 cm x 27.94 cm) – please note that this is different from the European A4 paper size. Margins should be 2.54 cm top, bottom, left and right.

Discussion

The text should be typeset in 11 point Calibri font, body text justified, with single line spacing. Paper size should be set to letter (i.e. 21.59 cm x 27.94 cm) – please note that this is different from the European A4 paper size. Margins should be 2.54 cm top, bottom, left and right. One small figure can be included, with text wrapped around, figure legend in 10 point Calibri, italic. The text should be typeset in 11 point Calibri font, body text justified, with single line spacing. Paper size should be set to letter (i.e. 21.59 cm x 27.94 cm) – please note that this is different from the European A4 paper size. Margins

should be 2.54 cm top, bottom, left and right. One small figure can be included, with text wrapped around, figure legend in 10 point Calibri, italic. The text should be typeset in 11 point Calibri font, body text justified, with single line spacing. Paper size should be set to letter (i.e. 21.59 cm x 27.94 cm) – please note that this is different from the European A4 paper size. Margins should be 2.54 cm top, bottom, left and right. One small figure can be included, with text wrapped around, figure legend in 10 point Calibri, italic. (right click on figure to insert figure caption). References should be cited by number [1].

The text should be typeset in 11 point Calibri font, body text justified, with single line spacing. Paper size should be set to letter (i.e. 21.59 cm x 27.94 cm) – please note that this is different from the European A4 paper size. Margins should be 2.54 cm top, bottom, left and right.
